Mr. John Gibson
Assistant Staff Director
Federal Election Commission
999 E Street, NW
Washington, DC 20463

Dear Mr. Gibson:

Enclosed please find amended Report of Receipts and Disbursements for the month of April, May, June and July, 1992. Also enclosed are late filing of the Report of Receipts and Disbursements for the month of August, September, the twelfth day report preceding the General election, the thirtieth day report following the General election, and December, 1992.

Please accept these reports with our sincere apology for failing to file by the due date as required by the FEC. Our organization has experienced some difficulty with staffing which resulted in our inability to file the reports. My duties as Business Director include the preparation of these reports. However, our Executive Director took an extended leave of absence for maternity reasons and I was named Acting Executive Director. The demands on my time did not allow me the opportunity to work on these reports. We ask that the Commission pardon us for not filing the report in a timely manner and assures the Commission it will not happen again.

Recognizing the importance of filing these reports, and realizing that my time was limited, we contracted an ex-staff person to help us prepare the late reports. He found that corrections were needed for the four months mentioned above and so we are submitting them with the corrections. He has agreed to prepare all future reports to ensure timely reporting.

Finally, our treasurer, Lyle Wing, is no longer the treasurer of the SANE/FREEZE PAC and so the PAC Board appointed me the temporary treasurer until a new permanent treasurer can be found. As temporary treasurer of the PAC, I request that our filing requirements be changed from monthly to semi-annual. This would require us to file our first 1993 report of Receipts and Disbursements by July 31st.
